

Project Hot Spot

A Crime Reduction Strategy

YOU ARE THE PUBLIC.
WE ARE YOUR SUPPORT.
LET'S COLLABORATE.

- "Project Hot Spot" was created to target specific higher crime areas and neighborhoods with increased law enforcement resources employing various crime reduction strategies.
- Collaborated effort by Local, State and Federal agencies
- Increased Law Enforcement presence within high crime areas
- Aggressive prosecution of violators

We want to continue our partnership with you, the community members, at an informational meeting and panel discussion.
